<sup>\*</sup> The table above is for guidance only. Some sizes may not be covered by regular manufacturing cycles. Other sizes may be available upon request. Please refer to the detailed technical datasheet for specifications, sizes and length.

\* The sizes provided in the table may have their production at separate facilities (Universal Tube and Pipe Industries FZE & THL Tube and Pipe Industries LLC). Please reach out to the account manager for more details.

<sup>\*</sup> Finish Options Available: Please refer to the technical datasheet or reach out to our account managers for complete information regarding the available options for end and surface finishes on selected sizes of our products.
